Data Engineering and business intelligence student at INSEA, Rabat, Morocco

Education :

2016-2018

Rabat

Master of Engineering in Data Engineering and Business Intelligence

The National Institute of Statistics and Applied Economics - INSEA

2014-2016

Marrakech

CPGE Maths physique

CPGE Ibn Timiya

2012-2014

Marrakech

Bachelor's degree, Maths

Royal Preparatory College for Aeronautical Techniques (Royal Air Forces) – CRPTA/ERA

Experiences :

Mars 2019 - Current

Excelerate Systems - France (www.exceleratesystems.com)

Graduation internship. (Bordeaux , France)

Real time Image/video processing and Deep learning/Machine learning models implementation.

Juillet - Septmber 2018

IOO, Intelligence Of Objects (www.ioo.ma)

Internship. (Rabat , Morocco)

The implementation of an intelligent traveling recommendations engine and developing a mobile app for traveling recommendations . (micro-services architecture , machine learning).

Mai - July 2017

Vul9 Security Solutions (www.vul9.com)

Remote Internship. (Rabat , Morocco - UAE)

The basics of networking security and web application security and pentesting.

Skills :

- **Web and mobile developement:** HTML, CSS, PHP, XML, JAVASCRIPT, AngularJS, NodeJs, JEE, SQL, Ionic, android native ,SEO .
- **Programming :** Java, Python, C, Cobol, Assembleur, JavaScript, Lisp, Prolog, R, Matlab, vba Excel.
- **Softwares:** Photoshop cc, Wireshark, GNS3, Talend Open Studio, Android Studio, RapidMiner, Qlik.
- **Data engineering:** Machine Learning, Deep Learning, Webmining, Data Mining.
- **Bigdata and business intelligence:** Datawarehousing, Hadoop, Business analytics.
- **Other tech skills:** Architecture reseaux TCP/IP, Penetration Tesing, UML, Merise.
- **Non tech skills :** Bussiness models and bussiness plans.

Extracurricular activities :

- **Founder & ExPrésident** du club INSEA IT (<https://inseait.com>).
- **Hed of Technical** at the Forum GENI 14. (www.forumgenientreprise.ma)
- **Head of Technical** at Enactus INSEA 2017.
- **Member and trainer** at L'Geek (www.lgeek.com)

Achievements:
